

## **FISCAL NOTE**

TO: Chief Clerk of the Senate  
Chief Clerk of the House

FROM: James A. Davenport, Executive Director

DATE: April 3, 1995

SUBJECT: **SB 745 - HB 1095**

This bill, if enacted, will exempt from the licensing requirement *an individual conducting undercover investigations*. An individual exempted under this provision must:

1. Be employed by and under the control of a licensed private investigation company, and
2. Be employed by a private business entity, the internal affairs of which are subject of investigation by the individual, and
3. Be engaged only in investigating the internal affairs of the private business entity by which they are employed.

The fiscal impact from enactment of this bill is estimated to result in foregoing state revenues which would otherwise have been collected in absence of the bill. The amount of such revenues cannot reasonably be determined but is estimated to be not significant.

This is to duly certify that the information contained herein is true and correct to the best of my knowledge.

James A. Davenport, Executive Director
